### STOP – Impact on You

Effective July 19, 2011 the Department of Mental Health is implementing modifications to the Integrated System (IS) to identify Healthy Way LA (HWLA) clients and Medical Home Clinics. These modifications affect the client header field of the IS.

The HWLA icon displays to the left of the Clients Name on the IS, only if the client is a HWLA client. This icon is a link to a pop-up screen that displays HWLA information. The following pop-up screen is the new screen with HWLA information:
